

Safety resource checklist

Create a proactive safety culture with the help of SECURA's free and discounted safety resources. Our policyholders have access to a variety of training materials to help reduce risks and promote a safe working environment. Use the list below to ensure you're utilizing all the safety resources we offer our policyholders.

■ Risk management consultants (free)

Our risk management consultants can be an extension of your team. Our experts know the rules, regulations, and best practices to help keep you, your employees, your customers, and your properties safe. Risk management consultants can help you develop workplace safety programs, analyze your claims and loss history to reduce or avoid repeat incidents, establish a safety committee, develop training programs, and much more.

■ Safety programs (free)

Sample safety programs, forms, and checklists are available through your risk management consultant. These can help your business comply with regulatory requirements, minimize liability, and improve overall productivity.

■ Safety talks (free)

Our free safety talks can help educate employees on potential hazards and best practices for mitigating risks. These meetings are usually 10-15 minutes in length and are conducted at the job site prior to the start of a shift.

■ Safety videos (free)

On-demand videos can be streamed anytime. Gain access or log in to our video training library to see all the topics available.

■ EPLI hotline and training (free)

This free service can help you manage employment exposures and reduce or prevent costly employment claims.

■ Cyber security training (free)

Policyholders have access to risk management tools from our cyber security partner. Improve employee cyber security awareness with proper training.

■ Learning Management System (free)

Access a Learning Management System (LMS) at no additional cost to help identify training requirements, set goals, track progress, and more. Reach out directly to your SECURA risk management consultant for more information.

■ OSHA and Hazwoper training (discounted rates available)

We've partnered with Evolved Safety to provide discounted 10- and 30-hour OSHA training programs, as well as a Hazwoper refresher training for professionals engaging with hazardous waste operations.
