“AI is the most important thing that’s going to happen in about 500 years, maybe 1000 years in human society, and it’s happening in our lifetimes.”

Eric Schmidt
Former Google CEO

Agent Modalities

How can I help you today?

I need a flight to San Francisco next Thursday so I arrive before 2pm

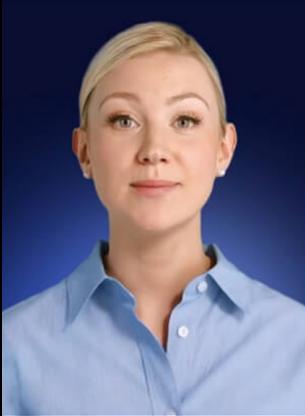

OK, got it! I'll look for flights on your preferred carriers, Delta and Alaska, and find a suitable flight.

This seem to be the best: Alaska 128 lands at 12.39pm and I can get you in seat 2B. Shall I book it?

Great, book it, Danno.

It's on your calendar, and I sent tickets to your phone. Fly safe!

Walmart Super Agents

The diagram illustrates four categories of Walmart Super Agents, each represented by a robot icon in a colored square and a corresponding set of colored bars below:

- CUSTOMERS**: A robot pushing a shopping cart, with 5 red bars below.
- ASSOCIATES**: A robot in a Walmart uniform waving, with 5 purple bars below.
- PARTNERS**: A robot standing next to a pallet of boxes, with 5 yellow bars below.
- DEVELOPERS**: A robot sitting at a laptop, with 5 blue bars below.

The diagram illustrates three concepts, each with a circular icon:

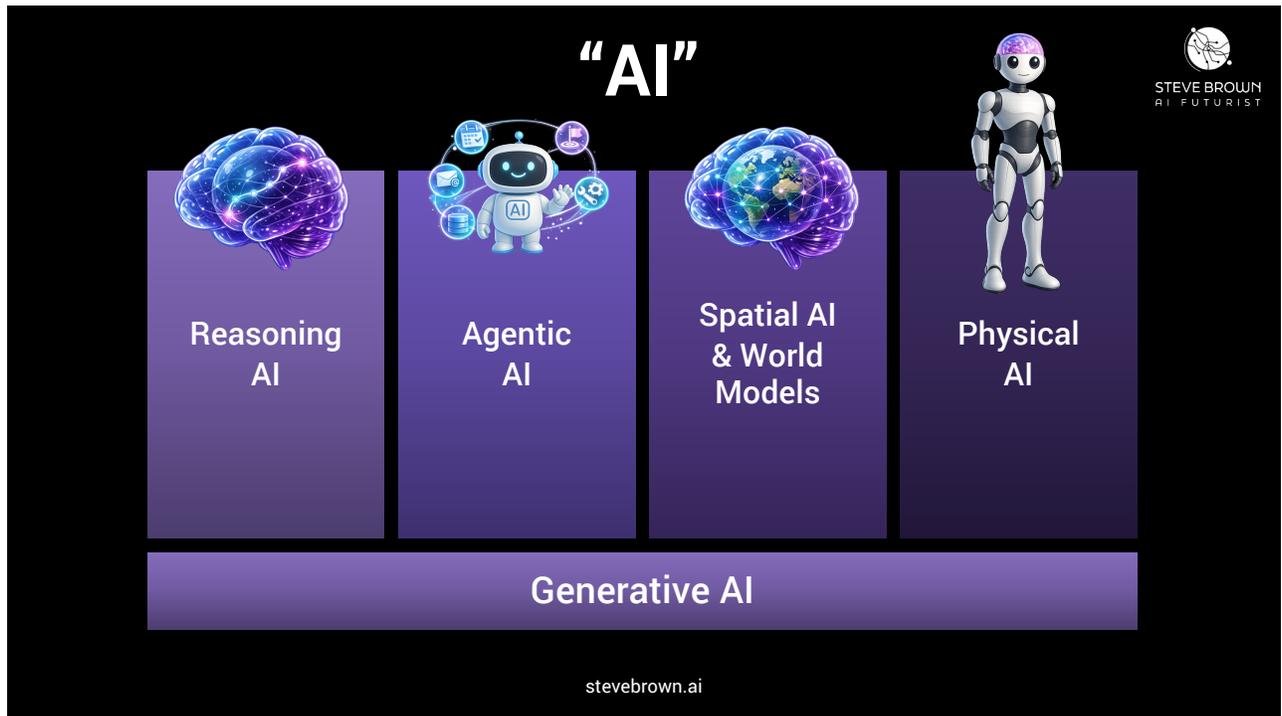

- Offload**: A blue circle with a white curved arrow pointing clockwise.
- Elevate**: A purple circle with a white upward-pointing arrow.
- Extend**: A purple circle with four white arrows pointing outwards from the center.
